

birth zone

20747 NE 112th St, Redmond, WA 98053 / (425) 868-4989 / liz@birthzone.com

This map guides you through the last ½ mile of the journey from the junction of 116th and 206th. This part of the route is on country roads and private driveways so hopefully the map will help you locate the birth zone cottage more easily.

If you know you'll need to leave early, you can park on the circle in front of the main house so you don't get blocked in.
